September 2012

The Association of Haitian Physicians Abroad (AMHE), South Florida Chapter, is pleased to announce that its 26th Annual Fundraising Gala will be held on Saturday, December 15, 2012 at the Intercontinental Hotel in Miami, Florida. The funds collected will help support the humanitarian activities of our Association. These include:

- A weekly health education radio show that provides culturally sensitive health information to our community in their native language,
- Scholarships to students in underserved areas interested in a career in the medical field,
- Continued support to our less fortunate fellow physicians-in-training at the State University Hospital in Port-au-Prince, Haiti,
- Support to cervical cancer-screening programs in Haiti, as well as other community health interventions,
- Support to uninsured Haitian patients for medications and health services, through partnership with established community health centers,
- Support to community health fairs in Miami Dade and Broward in collaboration with other organization,
- Support to Haitian American youth groups involved in community activities throughout Miami Dade,
- Provision of health education and screening of prevalent diseases in our community such as hypertension, diabetes, obesity, prostate cancer, etc...

We thank you for your generous contribution in the past, and hope that we can count on your continued support to help us sustain these important undertakings. The accompanying form describes the different levels of sponsorship available and how your contribution will be appropriately recognized. For your convenience, you may submit your contribution online at: <http://www.amheflorida.org>, or you can mail your check payable to:

AMHE Foundation South Florida Chapter, Inc.

14139 SW 146 Terrace
Miami, Florida 33186

The Association of Haitian Physicians Abroad is a registered Non-Profit Organization and your contribution is tax-deductible to the extent provided by the law.

Sincerely,

Alix Lanoue, MD
President
